

**AUDITORS' REPORT OF THE AUDITOR-GENERAL TO THE GAUTENG PROVINCIAL
LEGISLATURE AND COUNCIL OF THE METSWEDING DISTRICT MUNICIPALITY**

REPORT ON THE FINANCIAL STATEMENTS

Introduction

1. I have audited the accompanying financial statements of the Metsweding District Municipality, statement of financial position as at 30 June 2010, and the statement of financial performance, statement of changes in net assets and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and the accounting officer's report, as set out on pages xx to xx

Accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with the South African Standards of Generally Recognised Accounting Practice (SA Statements of GRAP) and in the manner required by the Municipal Finance Management Act, 2003 (Act No. 56 of 2003). This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor-General's responsibility

3. As required by section 188 of the Constitution of South Africa, 1996 (Act No. 108 of 1996) and section 4 of the Public Audit Act of South Africa, 2004 (Act No. 25 of 2004) (PAA), my responsibility is to express an opinion on these financial statements based on my audit.
4. I conducted my audit in accordance with International Standards on Auditing and General Notice 1570 of 2009 issued in Government Gazette 32758 of 27 November 2009. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
6. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

7. In my opinion, the financial statements present fairly, in all material respects, the financial position of the Metsweding District Municipality as at 30 June 2010 and its financial performance and its cash flows for the year then ended, in accordance with the SA Standards of GRAP and in the manner required by the MFMA.

Emphasis of matters

8. I draw attention to the matter below. My opinion is not modified in respect of this matter:

As disclosed in note 1.3 to the financial statement, the municipality will be disestablished and all its assets and liabilities will be transferred to Tshwane Metropolitan Municipality in terms of notice 1866 of 2010 as published in the Provincial Gazette Extraordinary No 128. There is a material uncertainty regarding the date of disestablishment since it is still to be announced by the President of the Republic of South Africa.

16. There were no material deficiencies on the internal controls.
